

What

An opportunity to turn your hole in one into a positive experience rather than an expensive venture. MGA Members are eligible to sign up for this optional program that pays you when that elusive ace comes your way.

The Rules

1. Golfers making aces must be active in the MGA Hole in One Club
2. Aces must be scored at the Golf Club of Amelia Island.
3. For a hole in one to be official, it must be witnessed by at least one other golfer.
4. It must be made during a round of at least nine holes, except that a hole-in-one made during a match is acceptable even if the match ends before the stipulated round is completed. If made during a stipulated round shortened by an event out of the players control (i.e. a weather event in which the golf course becomes unplayable and is closed by the golf course superintendent), it is counted.
5. The player may only be playing one ball; a hole-in-one made in a practice round in which the player is playing two or more balls is not acceptable.

The Process

1. Respond to this e-mail that you would like to participate in the Hole in One Club.
2. Your Membership account will be charged \$5 each time a Hole In One member reports an Ace.
3. When a club member attains a hole in one, the pool of funds is transferred into the lucky golfer's account and can be used to pay the bar tab, with any surplus going to Club Credit.
4. In the event any participant wishes to withdraw from the Club, the MGA Secretary must be notified in writing/e-mail (GCAI.MGA@Gmail.com).

Your membership in the HIO Club will be effective within 1 week of receipt of your intention to participate. The HIO Club will become active on February 1, 2023.
