

RED WHITE and BLUE Tournament

We had a very warm (hot?) day for our July tournament, with 14 foursomes participating. For the first time, all teams utilized Golf Genius for scoring, so a big Thank You to all the scorers out there! It was great seeing how your team was doing as the game unfolded.

The course was in great shape, and the typical "4th of July" spread of hot dogs and burgers hit the spot after play. Thanks to all the staff (inside and out) that make these events possible and enjoyable.

Here are the results (all money has been paid and the numbers reflect TEAM winnings):
