

## November MGA Tournament - 1 Best Net/1 Best Gross Foursomes

We had a fantastic day yesterday for our monthly event. We tried a new format, which was a four-man "1 Best Gross and 1 Best Net" scoring format. The overseeding that took place during the week had not yet started growing, so the course was in optimal shape. We had 55 players (which resulted in one "blind draw").

The payouts can be seen below, and all the rest of the results are at the end of the document. Close-Ups paid \$50 Credit Book.

Pictured below are our winners from left to right: Jim Peisel, "Doc" Halperin, Phil Kwasek, and Jared Marinelli. They combined for a -13, aided by Doc's blistering 69!
