

1. Concert Cup Qualifier

3 Man – 2 Best Balls

The GCAI Men's Concert Cup qualifier, one of the club's marquee annual events, was played on Saturday in optimal conditions. Under bright skies and a light breeze, the threesome of Gary Auger, Mark Kopp and Rick Judge bested the field with a total of -11. That score secured the team a spot at Concert Golf's annual Men's Concert Cup later this year. Auger/Kopp/Judge will be joined by GCAI Head Pro Dan Hackney rounding out the foursome and will compete against teams from about 40 Concert golf clubs around the country. The finals this year will be played at the Golf Club of the Everglades and The Club at Renaissance in southwest Florida October 2-4.

Last year's winners described the Concert Cup as a first class experience, so the Naples-bound crew will be expecting more of the same! The all expenses paid trip featured a couple of great golf courses and top shelf food and beverage along with accommodations and travel.

Attached is the complete list of scores from Saturday's event along with the payouts. Note that the winners didn't win money--they get the whole trip package in October.

We hope everyone is looking forward to the Member/member tournament coming up in early May. If you don't have a partner, now's the time to find one!
